Find Canadian sources of funding

* Grant Connect

- * Grant Connect is a website that offers information on funders, who they fund and who could fund you.
- * The company turned 50 in 2016. When founded in 1966, it was called the *Canadian Directory to Foundations & Corporations*.
- * Each funding agency offers different amounts of information so some are much more detailed while others have general information. All this information is constantly updated and gives you a general idea, at the very least, of where you should start looking and applying to funding.
- * Agencies offer funding to a variety of sectors all over Canada so try using some of the different tools available for searching to find the right match.

* Access to Grant Connect

- * Anyone visiting the public library has access to Grant Connect.
- * To access the site, you need to use a public library computer OR connect your device to the public library wi-fi.
- * From there, go to the Peace Library System website, select “Resources” and go to “Grants & Funding”
- * You don’t create an account on Grant Connect so there is no way to save the organizations relevant to you.

* Dashboard

This is your dashboard or home page:

The screenshot shows the Grant Connect dashboard. At the top left is the 'Imagine Canada' logo. To its right is the 'grant connect' logo. Further right, there is a navigation bar with 'Welcome PeaceLS! [Logout]', 'Change Login', 'Français', and social media icons for Facebook, Twitter, LinkedIn, YouTube, and RSS. Below the logo is a navigation menu with 'Dashboard', 'Funder Search', 'Gift Explorer', 'People Seeker', 'About Grant Connect', and 'User Support'. The 'Funder Search', 'Gift Explorer', and 'People Seeker' items are highlighted with red boxes. Below the navigation is a welcome message: 'Welcome PeaceLS', 'Welcome to Grant Connect - formerly loved as the Canadian Directory to Foundations & Corporations!', and contact information. The main content area is divided into three columns. The left column has a 'Quick Lookup' search box (highlighted with a red box) and a 'Recently Viewed' list (highlighted with a red box) containing: Emera Inc., Walker Wood Foundation, Post-Secondary Institutions Strategic Investment Fund, CHC Helicopter S.A., and Van Houtte Inc. The middle column is titled 'Getting Started' and contains a list of four bullet points: 1. Search the Quick Look-up by name or charitable business number to find a specific funder. 2. Visit the Funder Search to identify which funders are most likely to support your organization or project! 3. Use our Gift Explorer to look for organizations like yours that have received gifts, or find a funder that has made grants to organizations in your field! 4. Try the People Seeker to look for a particular individual associated with a funder - an officer, board member, or staff person. The right column is titled 'Recently Updated Listings' (highlighted with a red box) and contains a list of six items: Eli Lilly Canada Inc., Diversity in the Arts Fund, The TRH Foundation, Club des petits déjeuners du Québec, Québec Breast Cancer Foundation, and The Tenaquip Foundation. The 'Lehigh Hanson' item is also highlighted with a red box.

The red squares are ways for you to find funders.
